### TARGET GROUPS:

WEF related line ministries and experts, local authorities, CA Academic Network, International Financial Institutions (IFIs).

### OVERALL OBJECTIVE:

Institutionalisation of WEF Nexus approach in national and regional governance structures and investment decisions for water, energy and food security in Central Asia.

### SPECIFIC OBJECTIVES:

- To apply the WEF Nexus approach in planning, policy making and practical implementation;
- To increase interest of public and private investors to support Nexus based projects in CA region.

### ACHIEVEMENTS TO DATE:

- Regional Steering Committee and Technical Working Group established with participation of 17 decision makers and 9 national experts from CA countries;
- 17 regional and national dialogue events on WEF Nexus held for 1129 participants (623 men, 506 women);
- 3 institutional, socio-economic and climate change impact assessments produced and technical audit of 173 pumping stations carried out within 2 demo projects;
- Implementation of demo projects:
  - To tackle the sedimentation issue at Tuyamuyun Hydro-Complex (TKM-UZB)
  - To upgrade pumping stations and energy consumption monitoring system (TAJ)
  - To pilot the closed-root planting technique for saxaul (KAZ)
  - To institutionalise WEF Nexus approach in national strategies (KYR)
